InGRID

InGRID2 FIRST GENERAL ASSEMBLY MEETING
Thursday and Friday 1&2 June 2017

Agenda

Meeting venue

Meeting room: Conference room

HIVA – Research Institute for Work and Society

KU Leuven

Campus for Social Sciences / Sociale Wetenschappen

Parkstraat 47 box 5300, 3000 Leuven

Thursday

10.30 Start of the meeting

10.30 – 11.15   Project overview

                Welcome

                Summary of the overall project plan

11.15 – 12.00   TransNational Access: what and how?

12.00 – 13.00   Joint sandwich lunch at HIVA

13.00 – 17.15   Pillar activities: planning and discussing joint research activities

Separate sessions for each pillar (chairs: Kenneth Nelson and Stephanie Steinmetz)

For the first two WPs 1.5 hour, the third one 1 hour, with a 15 minutes coffee break

Introduction by WP leader

Short presentation of tasks by (lead) partner

First milestones & deliverables: task and planning agreement

JRA activities to improve the infrastructure 'Poverty living conditions & social policies'	JRA activities to improve the infrastructure 'Working conditions, vulnerability and labour policies'
Data integration/harmonisation (leader TARKI) - Extension of Integrated Poverty and Living conditions Indicators System (IPOLIS) in scope and coverage - Exploration of harmonisation longitudinal data on educational careers - Data linkages (and small area estimation) from statistical standards perspective - Combining data tools for dynamic microsimulation	*Data integration/harmonisation (leader UT)* Harmonisation/integration data on collective bargaining and minimum wages - Harmonisation/integration working conditions data on vulnerable groups - Integrated micro series of working conditions surveys and international surveys on employers' behaviour - New types of (web)data and its use - Historical data of the EU-LFS: feasible to compile
Improvement of analytical tools (leader SU) - Conceptualisation and measurement of out-of-work benefits - Extending EUROMOD (new policies and new tools) - Integrating data on welfare services - Small area estimation techniques and regional poverty measurement	*Improvement of analytical tools (leader UvA)* - New methods to examine employers hiring practices and skill transferability - New methods to measure new occupations and new forms of work - New methods to measure working conditions using administrative databases: availability – feasibility - Exploration of microsimulations approaches in comparative working conditions research
Valorisation tools and new indicators (leader CED) - Household hypothetical tool and representing policy relevant indicators - Indicator protocols on migrants' social rights - Demographic factors and poverty indicators	*Valorisation tools and new indicators (leader KULeuven)* - Developing multidimensional vulnerable group indicators - Developing policy indicators on OSHA management - Developing indicators to assess progress in working conditions

See for details on task presentations, annex

17.15 End of the meeting day

19.15 – ...   Joint Diner restaurant De Hoorn (http://www.dehoorn.eu)

Friday

09.00 Start of the meeting day

09.00 – 10.15   Financial issues

10.15 – 10.30   Coffee break

10.30 – 11.30   Management and reporting

                Consortium agreement

                Management structure

                Advisory board

                Reporting

11.30 – 12.00 Short feedback from pillar discussions

12.00 – 13.00 Lunch

13.00 – 13.45 WPs Knowledge exchange networking

                General outline

                Presentations events first 15 months

                    Expert workshop 1 P&LV Tarki (month 12)

                    Expert workshp 1 WC&V Ceps (month 12)

                    Expert workshop 2 P&LV Liser (month 15)

                    Training event WC&V Cnam (month 10)

                    Euromod trainings (2x, UEssex & UA)

13.45 – 15.00 WPs Strategic innovation networking

                General outline

                First data forums

                    Census data CED (month 6)

                    WageIndicator UvA (month 7)

                Special interest groups

                    Microsimulation Liser

                    Reference budgets UA

15.00 – 15.15 Coffee break

15.15 – 16.15 WPs Dissemination and outreach

E-portal (KULeuven)

E-infrastructure plans Tarki, Uessex, Trier, SU, CELSI/UVA

Other marketing and dissemination (KULeuven)

16.15 – 16.30 Varia/any other business

16.30 End of meeting

Annex: Tasks in JRA
(suggested presenters in bold or underlined)

WP8
- Task 1 (**TÁRKI**; lead): timelessness and historical relevance of IPOLIS
- Task 2 (**SU** (lead), TÁRKI, UA, UEssex): towards an IPOLIS policy module
- Task 3 (**TÁRKI** (lead), DIW, KU Leuven): vulnerable groups in European welfare states
- Task 4 (**UA** (lead), UEssex, DIW): EUROMOD wealth module
- Task 5 (**KU Leuven** (lead), TÁRKI, DIW: harmonised longitudinal data on educational careers
- Task 6 (**Southampton** (lead)): small area estimation with multiple data sources for Census-type outputs
- Task 7 (**UNIMAN** (lead)): data integration and linkage
- Task 8 (**LISER** (lead), UEssex, UA): combining tools for the development of dynamic microsimulation models

WP9
- Task 1 (**SU** (lead), UA): coverage and take-up of out-of-work benefits
- Task 2 (**UEssex** (lead), SU): extend EUROMOD with parental leave benefits
- Task 3 (**UEssex** (lead), UA): further developments of HHoT in EUROMOD for expert analyses on institutional structures
- Task 4 (**SU** (lead), UA, KU Leuven): towards new infrastructures on public services
- Task 5 (**CED** (lead), Southampton, UNIPI): methodological innovations for exploring regional poverty and inequality dynamics
- Task 6 (**Southampton** (lead)): constrained small area estimation
- Task 7 (**UNIPI** (lead), UNI-Trier): intra-country comparisons of regional poverty indicators using local PPPs

WP10
- Task 1 (**UEssex** (lead), UA): HHoT for easier and better representation of policy relevant indicators
- Task 2 (**SU** (lead), KU Leuven, DIW, LISER): protocols for researching immigrants' social rights
- Task 3 (**CED** (lead)): indicators system to understand the influence of demographic factors on unemployment, poverty and material deprivation at the regional level
- Task 4 (**UNIPI** (lead)): new indicators for regional social inclusion outcomes

WP11
- Task 1 (UvA, <u>CELSI</u>): harmonising and integrating data on collective bargaining and minimum wages
- Task 2 (<u>UvA</u>, CELSI, CED): harmonising and integrating data on vulnerable groups
- Task 3 (KU Leuven, CED): harmonisation and integration data on working conditions and employment relations
- Task 4 (**CNAM**): harmonisation and integration data on employee and employer level from international surveys on work organisations, job quality and performance
- Task 5 (UNI-Trier, Southampton, UNIMAN, UNIPI, CELSI): new types of data and its use

WP12

- Task 1 (<u>CEPS</u>, CNAM): new methods to examine employers hiring practices and skill transferability
- Task 2 (**CEPS**): new methods to measure newly arising occupations and new types of work and their vulnerabilities
- Task 3 (KU Leuven, <u>CNAM</u>, UvA): new methods to measure quality of work and decent work using administrative databases for cross-country comparative research
- Task 4 (<u>KU Leuven</u>, UNI-Trier, UNIMAN): exploration of microsimulation approaches in comparative working conditions research

WP13
- Task 1 (<u>UvA</u>, CELSI, UNIPI): developing multidimensional vulnerable group indicators.
- Task 2 (<u>KU Leuven</u>, CIOP): developing (national) policy indicators on the management of occupational health and safety
- Task 3 (<u>CNAM, KU Leuven</u>, UNI-Trier, UNIPI): developing indicators for assessing progress in working conditions
