

# Curriculum Vitae

## *Iñaki Permanyer Ugartemendia*

September 2021

---

### Personal Information

Date of birth: September 16<sup>th</sup>, 1974      Nationality: Spanish

Professional Address: Center for Demographic Studies (CED, Centre d'Estudis Demogràfics), Autonomus University of Barcelona, Carrer de Ca n'Altayó, Building E2, 08193 Bellaterra (Spain)

E-mail: [ipermanyer@ced.uab.es](mailto:ipermanyer@ced.uab.es)      Phone number: (+34) 935813060 (ext. 244)

Researcher unique identifiers: ORCID: [0000-0002-7051-5144](https://orcid.org/0000-0002-7051-5144) / Research ID: [M-3571-2015](https://orcid.org/M-3571-2015) / Author ID: [35273144500](https://orcid.org/35273144500).

---

### Education

- **2008-10** Fulbright post-doctoral research training at Cornell University (US) under the supervision of Professor Lourdes Benería.
- **2007** Ph.D. in Demography "*On the Robust Measurement of Well-Being in a Gender Perspective*". Universitat Autònoma de Barcelona (Spain). Ph.D Advisor: Montse Solsona (Centre d'Estudis Demogràfics and Universitat Autònoma de Barcelona).
- **2004** M.A. in Demography "*The Demographic and Health Surveys: a fundamental tool for the study of contemporary fertility transitions*". Universitat Autònoma de Barcelona (Spain).
- **1998** M.Sc. in Mathematics "*Une extension du théorème d'Hurewicz*". University of Lausanne (Switzerland).
- **1997** B.Sc. in Mathematics. Universitat Politècnica de Catalunya (Spain).

### Current Position

- Since January 2021, engaged by the Catalan Institution for Research and Advanced Studies (ICREA) as a Research Professor, hosted by Center for Demographic Studies (CED)
- Since 2013 Co-Director at CED of the two EU- H2020 funded RIA research projects on Inclusive Growth Research Infrastructure Diffusion' (InGRID and InGRID-2). Ref. CP-CSA-Infra 312691 and INFRAIA-2016-1 Project ID: 730998. <http://www.inclusivegrowth.eu>

### Previous Positions

- **2019-2020** Research Scientist at Centre d'Estudis Demogràfics (CED), co-funded by the Programme I3 (Incentives for the incorporation and strengthening of research activity) and the European Research Council Consolidator Grant project HEALIN (ERC-2019-CoG-864616) and Starting Grant Project EQUALIZE (ERC-2014-StG-637768).
- **2014-2019** 'Ramón y Cajal' Postdoctoral Individual Research Fellow at Centre d'Estudis Demogràfics (CED), Barcelona (Spain), co-funded by the European Research Council Starting Grant project EQUALIZE (ERC-2014-StG-637768)
- **2010-2013** 'Juan de la Cierva' Postdoctoral Research Fellow at Centre d'Estudis Demogràfics (CED), Barcelona (Spain).

- **2009-2010** Visiting Researcher at the Department of City and Regional Planning in Cornell University (USA).
- **2007-2008** Researcher at Institut d'Anàlisi Econòmica (IAE-CSIC, Spain).
- **2000-2008** Adjunct Professor at the Economics Department of Universitat Autònoma de Barcelona (Spain).  
Research Associate at Centre d'Estudis Demogràfics (CED, Spain).
- **1999-2000** Adjunct Professor and Researcher at the Mathematics Department of Universitat Autònoma de Barcelona (Spain).
- **1997-1998** Adjunct Professor and Researcher at University of Lausanne (Switzerland).

### Research Areas (UNESCO Codes)

General Mortality (520502); Morbidity (520607); Socio-economic characteristics (520610); Welfare theory (530719); Demo-geography (540302); Measurement and index construction (630501); Statistical analysis (630503); Family, kinship (630903); Marriage (630904); Social mobility (630906); Social stratification (630907) Poverty (631008) Quality of life (631009).

### Lines of Research

Lifespan and health inequality, study of global inequalities in income, education and health, distribution of human development within and across countries, socio-economic inequality, poverty and polarization, relationship between demographic dynamics and individual's well-being.

### Fellowships and and Awards

- Recipient of the 2020 European Demographer Award (<https://population-europe.eu/european-demographer-award>)
- Awarded with an ERC Consolidator Grant for the project “Healthy lifespan inequality: Measurement, trends and determinants (HEALIN)” Ref. H2020-ERC-2019-CoG-864616). Period: 2020 -2025
- ‘Ramón y Cajal’ Individual Research Fellow at Centre d'Estudis Demogràfics (CED) funded by Spanish Ministry of Science and Education. Ref. RYC-2013. Period: 2014-2019.
- Awarded with an ERC Starting Grant for the project “Equalizing or Dinequalizing? Opposing Socio-demographic Determinants of the Spatial Distribution of Welfare (EQUALIZE)” Ref. ERC-2014-StG-63776). Period: 2015 -2020.
- Awarded with a BBVA Foundation for Researchers and Innovators price for the project “The impact of population and economic growth on the achievement of the Millennium Development Goals: Lessons from the past for the future Global Development Agenda”. Period: 2014 – 2015.
- Awarded with the Research Accreditation (‘Acreditació de Recerca’) from the Agència per a la Qualitat del Sistema Universitari de Catalunya, Generalitat de Catalunya (AQU) (see <http://www.aqucatalunya.org>). Year: 2012.
- Awarded with the Accreditation to join the University Teaching Bodies from the Agencia Nacional de Evaluación de la Calidad i Acreditación (ANECA) (see: <http://www.aneca.es/eng/Evaluation-Activities/ACADEMIA>). Year: 2013.
- ‘Juan de la Cierva’ Postdoctoral Research Fellow at Centre d'Estudis Demogràfics (CED) funded by funded by Spanish Ministry of Economy and competitiveness. Ref. JCI-2010-07414. Period: 2010-2013.

- Fulbright Fellowship for a postdoctoral stay research training at Cornell University (United States) under the supervision of Professor Lourdes Benería. Academic years: 2008-2009 & 2009-2010.
- Erasmus mobility program at the École Polytechnique Fédérale de Lausanne (EPFL) (Switzerland). Academic year: 1997-1998.

### Supervisor of Graduate Students and Postdoctoral Fellows

#### Director of Completed PhD theses

*Doctorate in Demography*

Centre d'Estudis Demogràfics (CED)-Universitat Autònoma de Barcelona (UAB)

- Victoria San Juan Bernuy (03/12/2020) *Expansió educativa, patrons de formació familiar: implicacions per a la desigualtat i la pobresa a Amèrica Llatina*. Director: Iñaki Permanyer
- Amalia Gómez Casillas (07/11/2018) *Violencia de género y prácticas tradicionales perjudiciales: una contribución al debate metodológico para su medición en Europa*.
- Pinar Koxsel (28/11/2017) *Living Arrangements of the Unemployed Across Europe: How Households Protect Us From Vulnerability*.
- Joana Serret Sanahuja (19/06/2014) *Flores de otro mundo: inmigración internacional y mercados matrimoniales. España en perspectiva comparada*.

#### Director of Current PhD theses

*Doctorate in Demography*

Centre d'Estudis Demogràfics (CED)-Universitat Autònoma de Barcelona (UAB)

- Octavio Nicolás Bramajo (expected to defend in 2022) *Three essays on health inequalities in ageing societies*
- Hortense Fraser (expected to defend in 2021) *Sexual and Reproductive Health Inequalities among Immigrant Women in Spain. A Mixed-Methods Approach*. Directors: Iñaki Permanyer Ugartemendia and Montse Solsona Pairó.
- Parminder Kaur (expected to defend in 2022) *Does immigration to a more egalitarian country change gender based behaviors and attitudes towards preference of male child and intimate partner violence? A case of Indian immigrants in Spain*.

#### Supervisor of Master Thesis

*Master Degree's in Spatial Planning and Population Studies (Specialization in Demography)*

Centre d'Estudis Demogràfics (CED)-Universitat Autònoma de Barcelona (UAB)

- Rafael Navarro (12/07/2016) *Objetivos del milenio, cambios demográficos y cambios económicos. Un estudio de caso en Colombia*.
- Victoria San Juan Bernuy (05/07/2016) *Patrones educativos de formación familiar en Latinoamérica*.

*European Doctoral School of Demography (EDSD)*

- Serena Vigezzi . (28/07/2020) *Implications of Mortality Crises in Lifespan Variation*
- Jesús Daniel Zazueta Borboa (23/07/2020) *Contribution of causes of death to the sex gap in lifespan variation in European Countries*.
- Marcus Ebeling (04/07/2013) *Why do humans suffer exceptionally high levels of senescence? A cause of death analysis based on the pace and shape of aging*

- László Németh (25/07/2012) *Statistical unidentifiability of the proportional hazards and the accelerated failure time models.*

### Teaching Activities

- **2019-2022** Lecturer in Statistical Demography. European Doctoral School of Demography (EDSD), EAPS, Germany-Spain.
- **2017** Twelfth Doctorate Winter School on Inequality and Social Welfare Theory (IT12): “Space, Mobility and Opportunities” of the International Ph. D. in Economics and management. Lecture: “Multidimensional poverty: theory and empirical evidence”. Alba di Canazei Center, University of Verona (Italy). January 9-12
- **2009-2010** Adjunct Professor in *Social Indicators: Theory and Applications* and *Inferential Statistics for Planning and Public Policy* in the Masters and PhD level courses of the Department of City and Regional Planning in Cornell University (USA).
- **2000-2008** Adjunct Professor in *Mathematics, Mathematical Economics, Statistics* and *Econometrics* in the Economics Department of Universitat Autònoma de Barcelona (Spain).
- **1999-2000** Adjunct Professor in *Mathematics* and *Statistics* in the Mathematics Department of Universitat Autònoma de Barcelona (Spain).
- **1997-1998** Adjunct Professor in *Mathematics*. University of Lausanne (Switzerland).

### Organization of Scientific Meetings

*Member of the steering and organising committee*

- **2020** *II Data Forum on Harmonization and Uses of European LFS Microdata*. Organized by Centre d'Estudis Demogràfics (CED), IPUMS (University of Minnesota) and HIVA-KU Leuven. Barcelona, February 6-7.
- **2019** 2019 Global Family Change Workshop-GFC Project. Organized by Centre d'Estudis Demogràfics and Population Studies Center (University of Pennsylvania). Bellaterra (Spain), January 10-11.
- **2018** *InGRID Data Forum on Harmonization and Uses of European Microdata*. Organized by Centre d'Estudis Demogràfics (CED), IPUMS (University of Minnesota) and HIVA-KU Leuven. Barcelona, January 18-19.
- **2015** *InGRID Expert Workshop Research uses of high-precision census samples*. Organized by Centre d'Estudis Demogràfics (CED) and HIVA. Barcelona, June 25-27.
- **2014** Seminar on *¿Who marries whom? Past and present*. Organized by Centre d'Estudis Demogràfics (CED) and the Asociación de Demografía Histórica (ADEH). Barcelona, January 16-17.
- **2011** International Seminar on *Uses of census data in Europe in a comparative perspective*. Organized by Centre d'Estudis Demogràfics (CED) and the Institut National d'Etudes Démographiques (France); Institut d'Etudes Démographiques, Université de Bordeaux (France); Observatoire Démographique Européen (France). Bellaterra, June 9-11.
- **2010** Internacional Seminar on *Marriage and Family in Latin America*. Organized by Centre d'Estudis Demogràfics (CED), Bellaterra, October 7-8.

*Convenor and organizer of sessions*

- **2018** Session 29: 'Mathematical Demography'. *2018 European Population Conference. Population, Diversity and Inequality* Organized by EAPS. Brussels (Belgium), June 6-9.
- **2016** Session 98: 'Modelling unions and other transitions to adulthood'. *2016 European Population Conference (EPC)* organized by EAPS. Mainz (Germany), August 31-September 3.
- **2016** Session 14: Inequality and Poverty Measurement 1. *13th Meeting of the Society for Social Choice and Welfare* organized by Society for Social Choice and Welfare. Lund (Sweden), June 28-July 1.
- **2016** Session 11: Population dynamics, poverty and inequality . *XI Congreso de la Asociación de Demografía Histórica*. Cádiz (Spain), June 21-24.
- **2013-2017** InGRID's Transnational Access activities for the Center for Demographic Studies and Integrated European Population Microdata research infrastructure.

### Commissions of Trust

- **2020** Evaluator of R&D projects for the Sectorial Commission for Scientific Research (CSIC) of the University of the Republic (Udelar), Uruguay.
- **2019-2020** On site and remote evaluator of R&D projects for the Spanish Ministry of Science, Innovation and Universities.
- **2018** Evaluator of projects for The Netherlands Organization for Scientific Research (NWO).
- **2017** Evaluator of projects and grants for the Swiss National Science Foundation.
- **2017** Remote Evaluator of the ERC Starting Grant 2017 Call.
- **2014-2020** Member of the Editorial Board, *Feminist Economics*.

### Memberships of Scientific Societies

- Member of the Population Association of America (PAA).
- Member of the International Union for the Scientific Study of Population (IUSSP).
- Member of the European Association for Population Studies (EAPS).
- Member of Economics of Inequality and Poverty Analysis (EQUALITAS).
- Member of the Society for the Study of Economic Inequality (ECINEQ).

### Journal Refereeing (in alphabetical order)

*American Sociological Review; Cities;Demography; Demographic Research; Documents d'Anàlisi Geogràfica; Econometrica; Economics Bulletin; Économie Régionale & Urbaine; Energy; European Journal of Population;Feminist Economics; Gender and Society; Journal of Applied Econometrics; Journal of Development Economics; Journal of Economic Inequality; Journal of Economic Interaction and Coordination; Journal of Human Development; Journal of Public Economic Theory; Journal of Public Economics; Nature; Population and Development Review; Quality and Quantity; Review of Income and Wealth; Regional Studies; Social Choice and Welfare; Social Indicators Research; Studies in Family Planning; Sustainability; World Development.*

### R+D+I Projects

*International Projects*

- **2020-2025** “Healthy lifespan inequality: Measurement, trends and determinants (HEALIN)”, funded by the European Research Council Consolidator Grants Program. Principal Investigator: Iñaki Permanyer, Centre d’Estudis Demogràfics. Ref. ERC-2019-CoG-864616. Grant Amount: 1 448 125.00 €. Participation: Principal Investigator.
- **2017-2021** “Integrating research infrastructure for European expertise on Inclusive Growth from data to policy’ (InGRID-2)”, funded by the H2020-European Commission-Research and Innovation Action (RIA)-INFRAIA-2016-2017/H2020-INFRAIA-2016-1 involving 19 partners (<http://inclusivegrowth.be/>). Principal Investigator: Guy van Gyes (HIVA-Reseach Institute for Work and Society, K U. Leuven). Ref. Project ID: 730998. Grant Amount: 9 349 517.5 €. Participation: Co-Director at CED.
- **2017-2020** “Global Family Change”, funded by the National Science Foundation (USA). Principal Investigator: Hans-Peter Kohler (University of Pennsylvania) & Frank Furstenberg (University of Pennsylvania). Ref. Project ID: 1729185. Grant Amount: \$462 001 Participation: CED’s Collaborators  
[https://www.nsf.gov/awardsearch/showAward?AWD\\_ID=1729185&HistoricalAwards=false](https://www.nsf.gov/awardsearch/showAward?AWD_ID=1729185&HistoricalAwards=false)
- **2015-2020** “Equalizing or Dinequalizing? Opposing Socio-demographic Determinants of the Spatial Distribution of Welfare (EQUALIZE)”, funded by the European Research Council Starting Grants Program. Principal Investigator: Iñaki Permanyer, Centre d’Estudis Demogràfics. Ref. ERC-2014-StG-637768. Grant Amount: 1 174 500 €. Participation: Principal Investigator.
- **2013-2017** “Inclusive Growth Research Infrastructure Diffusion (InGRID)”, funded by the European Commission’s 7<sup>th</sup> Framework Programme involving 17 partners (<http://inclusivegrowth.be/>). Principal Investigator: Guy van Gyes (HIVA, K U. Leuven). Ref. CP-CSA-Infra 312691. Grant Amount: 4 998 502.57 €. Participation: Co-Director at CED.
- **2010-2015** “Towards a Unified Analysis of World Population: Family Patterns in Multilevel Perspective (WORLD FAM)”, funded by the European Research Council. Principal Investigator: Albert Esteve, Centre d’Estudis Demogràfics. Ref. ERC-2009-StG-240978. Grant Amount: 1089000 €. Participation: Research team member.

#### *National Projects*

- **2019-2021** Global Family Trends: Gender, Social and Regional Inequalities (GLOBFAM), funded by Programa Estatal de Investigación, Desarrollo e Innovación Orientada a los Retos de la Sociedad. Principal Investigators: Iñaki Permanyer and Albert Esteve, Centre d’Estudis Demogràfics. Ref. RTI2018-096730-B-I00. Grant Amount: 61710 €. Participation: Principal Investigator.
- **2018-2019** “Diagnosi de la pobresa i la vulnerabilitat social a la comarca del Maresme”, Consell Comarcal del Maresme, Project ID: 2.1.4/8/2017. Principal Investigator: Antonio López-Gay. Budget 122657 €. Participation: Research team member.
- **2017-2020** “Demography and Family Research Group (DEMFAMS)”, Departament d’Universitats, Investigació i Societat de la Informació de la Generalitat de Catalunya. Ref. 2017 SGR 1454. Principal investigator: Albert Esteve. Budget: 38400 €. Participation: Research team member.
- **2016-2018** “Family strategies and demographic responses to the economic recession / Estrategias familiares y respuestas demográficas a la crisis económica (CRISFAM)”, funded by Programa Estatal de Investigación, Desarrollo e Innovación Orientada a los Retos de la Sociedad.

Principal Investigators: Iñaki Permanyer and Albert Esteve, Centre d'Estudis Demogràfics. Ref. CSO2015-64713-R. Grant Amount: 98010 €. Participation: Principal Investigator.

- **2014-2017** “Grup de Recerca en Demografia i Famílies” (DEMFAMS), funded by Departament d'Universitats, Investigació i Societat de la Informació de la Generalitat de Catalunya. Principal investigator: Albert Esteve. Ref. SGR 2014 SGR-417. Grant Amount: 25200 €. Participation: Research team member.
- **2014-2016** “Equality and Poverty: Methods and Implications”, Principal Investigator: Xavier Ramos, Departament Economia Aplicada UAB. Ref. ECO2013\_46516-C4-1-R. Grant Amount: 21780 €. Participation: Research team member.
- **2014-2015** “The impact of population and economic growth on the achievement of the Millennium Development Goals: Lessons from the past for the future Global Development Agenda”, funded by the BBVA Foundation for Researchers and Innovators. Principal Investigator: Iñaki Permanyer, Centre d'Estudis Demogràfics. Grant Amount: 39325 €. Participation: Principal Investigator.
- **2015** “Valores y actitudes asociados a las nuevas formas familiares”, funded by Centro de Investigaciones Sociológicas (CIS)- Ministerio de la Presidencia. Principal investigador: Albert Esteve, Centre d'Estudis Demogràfics (CED). Ref. 115-002569. Grant Amount: 10000 €. Participation: Research team member.
- **2011-2013** “Poverty and Equality: Methods and Implications”, funded by Ministerio de Economía y Competitividad. Principal Investigator: Xavier Ramos, Departament Economia Aplicada UAB. Ref. ECO2010-21668-C03-02. Grant Amount: 110231 €. Participation: Research team member.
- **2009-2011** “Reconstituted families Households and Gender Equality: New Paradoxes?” funded by Ministerio de Educación y Ciencia. Secretaría de Estado de Universidades e Investigación. Principal Investigator: Rocío Treviño, Centre d'Estudis Demogràfics. Ref. CSO2008-00654. Grant Amount: 77440 €. Participation: Research team member.
- **2006-2008** “Family trajectories after divorce. Gender, kinship and territory”, funded by Ministerio de Educación y Ciencia. Secretaria de Estado de Universidades e investigación. Principal Investigator: Montse Solsona, Centre d'Estudis Demogràfics. Ref. SEJ2005-03764/GEOG. Grant Amount: 58310 €. Participation: Research team member.
- **2004-2008** “Polarization and Conflict”, funded by the European Commission-DG Research Sixth Framework Programme. Principal Investigator: Joan Esteban, Institut d'Anàlisi Econòmica. Ref. CIT-2-CT-2004-506084. Participation: Research team member.
- **2004-2005** “A Projection of the demand of University studies in Catalonia, 2014-2015”, funded by Departament d'Universitats, Recerca i Societat de la Informació. Principal Investigator: Daniel Devolder, Centre d'Estudis Demogràfics. Grant Amount: 36000 €. Participation: Co-Director.

### **Selected Conference Presentations (since 2012)**

- “Group -and individual- based approaches to health inequality: Towards an integration” and “Cause-of-death diversity from a multiple-cause perspective in the US” and “Cause-specific mortality: Deaths of despair in Spain”. Presented at Workshop of the EAPS Health, Morbidity and Mortality Working Group. “New Challenges: New Issues”. Praga, September 20-22, 2021
- “On the Measurement of Healthy Lifespan Inequality” and “Implications of Mortality Crises in Lifespan Variation”. Presented at *2021 Population Association of America (PAA). 2021 Annual Meeting*. Virtual Event, May 5-8, 2021.
- “Regional inequalities in life expectancy and lifespan variation by educational attainment in Spain, 2014-18” and “New tests for the ‘compression vs expansion of morbidity’” and “Cause-of-death diversity from a multi-cause perspective”. Presented at *32nd REVES Meeting*. Virtual event, May 26-28, 2021.
- “National age and co-residence patterns shape COVID-19 vulnerability”. Presented at *Dutch Demography Week. Session on Coronavirus and Households. Digital conference*. Virtual event, November 16-19, 2020
- “Healthy lifespan inequality across Europe”, paper presented at the *European Population Conference 2020*. Webinar on “Health, Wellbeing and Morbidity”, June 26<sup>th</sup>, 2020.
- “Inequality in human development across the globe”, paper presented at the *8th Meeting of the Society for the Study of Economic Inequality (ECINEQ)* celebrated in Paris (France), July 3-5, 2019.
- “Global Trends in Lifespan Inequality, 1950-2015”, paper presented at the *2019. Population Association of America (PAA). 2019 Annual Meeting*, celebrated in Austin (United States), April 10-13, 2019.
- “Health expectancy and healthy lifespan inequality by educational attainment in Spain 2015”, paper presented at the *31st REVES Meeting - REVES 2019. How are we living longer, healthier and happier? Inequalities and determinants to improve health*, celebrated in Barcelona (Spain), May 29-31, 2019
- “Gender inequality and fertility declines: A sub-national analysis for the contemporary developing world”, paper presented at *Fertility Across Time and Space. Data and Research Advances. Wittgenstein Centre Conference 201 8- 3rd Human Fertility Database Symposium: Fertility across time and space: Data and research advances*, celebrated in Vienna (Austria), December 5-7, 2018
- “Impacto de los patrones educativos de formación familiar sobre la desigualdad de ingresos en Latinoamérica”, paper presented at the *XVIII Congreso Internacional de ALAP. Población y desarrollo sostenible: Políticas públicas y avances en la medición sociodemográfica*, celebrated in Puebla (Mexico), October 23-26, 2018.
- “Longevity and lifespan variation by educational attainment in Spain: 1960-2015”, paper presented at the *European Population Conference 2018. Population, Diversity and Inequality (EPC)* celebrated in Brussels (Belgium), June 6-9, 2018.
- “Educational assortative mating as a determinant of changing household income inequality: A 22-country study” and “A century of change in global educational inequality and gender differences in education”, papers presented at the *Population Association of America (PAA). 2018 Annual Meeting* celebrated in Denver (United States), April 26-28, 2018.

- “Longevity and lifespan variation by educational attainment in Spain: 1960-2015”, paper presented at the *Tel Aviv Workshop on Inequality and uncertainty in length of life*, celebrated in Tel Aviv (Israel), May 17, 2018.
- “The Regional Human Development Index: Global distribution and recent trends (1990-2017)”, paper presented at the *Global Family Change-GFC Project Meeting*. (University of Oxford) celebrated in Oxford (UK), January 8, 2018.
- “The contribution of educational assortative mating to household income inequality across 21 European countries and the United States”, paper presented at the *Conference. Changing Gender Inequalities, Changing Families?* Celebrated in Leuven (Belgium), December 7-8, 2017.
- “A new approach to length of life inequality measurement”, “Global trends in educational inequality” and “The influence of educational marital homogamy on income inequality between households from a comparative perspective” papers presented at the *28<sup>th</sup> International Population Conference of the International Union for the Scientific Study of Population (IUSSP)* celebrated in Cape Town (South Africa), 29 October-4 November, 2017.
- “Benchmark inequality measures”, paper presented at the *7th Meeting of the Society for the Study of Economic Inequality (ECINEQ)* celebrated in New York (United States), July 17-19, 2017.
- “Educational Inequality Across and Within Genders: A Global Perspective”, paper presented at the *Population Association of America (PAA). 2017. Annual Meeting*, celebrated in Chicago (United States), April 27-29, 2017.
- “A century of change in global educational inequality between and among genders”, paper presented at the *ISA RC28. Social Inequality and Mobility Revisited. Challenges Through recent Demographic Trends. Spring Meeting 2017* celebrated in Cologne (Germany), March 30-April 1, 2017.
- “How Do Living Arrangements Affect the Prevalence of Jobless Households Across European Regions?”, paper presented at the *2016 European Population Conference (EPC)* celebrated in Mainz (Germany), August 31-September 3, 2016.
- “On the measurement of multidimensional poverty in multiple domain contexts”, paper presented at the *13th Meeting of the Society for Social Choice and Welfare* celebrated in Lund (Sweden), June 28-July 1, 2016.
- “The Impact of Population and Economic Growth on the Achievement of the Millennium Development Goals”, paper presented at the *Population Association of America (PAA). 2016 Annual Meeting* celebrated in Washington D.C. (United States), March 31-April 2, and at the 2016 European Population Conference (EPC) celebrated in Mainz (Germany), August 31-September 3, 2016.
- “Marriage market polarization in the time of college educational expansion”, paper presented at the *Population Association of America (PAA). 2016 Annual Meeting* celebrated in Washington DC (United States), March 31-April 2, 2016.
- “Multidimensional Poverty Indices and First Order Dominance Techniques: An Empirical Comparison of Different Approaches” and “Multidimensional poverty measurement: Making the identification of the poor count”; papers presented at the *6<sup>th</sup> ECINEQ Conference* celebrated in Luxembourg, July 2015.
- “Polarization through assortative mating: Is social closure among the college educated increasing?” paper presented at the *Population Association of America (PAA). 2015 Annual Meeting* celebrated in San Diego (United States), May 2015.

- “Assessing individuals’ deprivation in a multidimensional framework”; paper presented at the *12<sup>th</sup> Meeting of the Society for Social Choice and Welfare* celebrated in Boston (United States), 18-21 June 2014 and at the *Second MOVE-ISER Workshop, MOVE (Markets, Organizations and Votes in Economics)* celebrated in Bellaterra (Spain), March 12, 2014.
- “Human Development Index-like small area estimates for Africa computed from IPUMS-international integrated census microdata” and “Measuring achievement and shortfall improvements in a consistent way”; papers presented at the *Population Association of America (PAA). 2014 Annual Meeting* celebrated in Boston (United States), May 2014 and at the 2014 European Population Conference (EPC) celebrated in Budapest (Hungary), June 2014.
- “A Geography of Unmarried Cohabitation in the Americas” and “The Isolation of the Unemployed Across European Households: 1998-2011”, papers presented at the *2014 European Population Conference (EPC)* celebrated in Budapest (Hungary), June 25-28, 2014.
- “Are countries achieving the Millennium Development Goals?”, “Unmarried Cohabitation in the Americas: Unveiling the Spatial Dimension” and “The impact of educational homogeneity on isolated illiteracy levels”; papers presented at the *XXVII IUSSP International Population Conference* celebrated in Busan (South Korea), August 2013.
- “Using Census Data to Explore the Spatial Distribution of Human Development”, “A critical assessment of UNDP’s Gender Inequality Index” and “Hacia una geografía de la unión libre en América Latina y el Caribe”; papers presented at the *Population Association of America (PAA). 2013 Annual Meeting* celebrated in New Orleans (United States), April 2013.
- “A critical assessment of UNDP’s Gender Inequality Index” and “Using Census Data to Explore the Spatial Distribution of Human Development”; papers presented at the *V Latin American Population Association Conference (ALAP)*, celebrated in Montevideo (Uruguay), October 2012.
- “The impact of educational homogeneity on literacy levels”, paper presented at the *2012 European Population Conference (EPC)* celebrated in Stockholm (Sweden), June 2012.

#### **Invited Seminars and other academic activities**

- Invited keynote speaker with the lecture “Inequalities in health, longevity and healthy longevity” within the conference *New data for the new challenges of population and society*. Organized by Università degli Studi di Padova. Virtual event, September 22-24, 2021
- Invited as an international expert to give the talk *On the measurement of healthy lifespan inequality* at the Workshop on New Perspectives on Lifespan Inequality, organized by the the Herczeg Institute on Aging at Tel Aviv University in collaboration with the University of Southern Denmark and Oxford University. Virtual event, January 21, 2021
- Invited to participate as an expert at the round table discussion of the Session 3.3: Scoring process and aggregation function (November 26). *Expert Group Meeting on the SIGI. Rethinking the Social Institutions and Gender Index (SIGI)* Organized by the OECD Development Centre; Social Institutions and Gender Index (SIGI). Virtual meeting, November 24-26, 2020
- Invited to give the talk *Equalizing or disequalizing? Opposing socio-demographic determinants of the spatial distribution of welfare* at the workshop Sex and Gender Dimension in Frontier Research, organized by the European Research Council (ERC). Virtual event, November 16, 2020.
- Invited to give the talk *First findings with new SGDI* as a contributor to the new *Subnational Gender Development Index (SGDI)* at its official launch within the UN World Data Forum. Virtual event, October 20<sup>th</sup> 2020.

- Invited as international expert to the “Technical Expert Group Meeting: Follow-up to the Rethinking the Gender Inequality Index (GII)”. Virtual Meeting-New York (US), September 1, 2020.
- Invited to give the seminar “National age and co-residence patterns shape covid-19 vulnerability” (co-authors: Albert Esteve and Diederik Boertien) within (i) the Seminarios de Investigación del Programa de Población on *COVID-19: envejecimiento y relaciones intergeneracionales* organized by the Universidad de la República (Uruguay). Webinar, June 30th, 2020. (ii) Centro de Desenvolvimento e Planejamento Regional-CEDEPLAR, Universidade Federal de Minas Gerais (Brasil). Webinar, July 11h, 2020.
- Invited as international expert to the “UN Women/UNDP Expert Meeting on Rethinking the Gender Inequality Index (GII)”. Virtual Meeting-New York (US), April 22-23, 2020.
- Invited to give the seminar ‘The subnational human and gender development indices’ at the Norwegian Institute of Public Health, Oslo, January 15<sup>th</sup>, 2020.
- Invited to give the seminar ‘Uncovering subnational variation in human development across the globe’ organized by the Population and Health Research Group of the University of Saint Andrews and celebrated in Saint Andrews (UK), October 2<sup>nd</sup>, 2018.
- Invited to give the seminar “Measuring poverty in multidimensional contexts’ organized by the Economics Department of Università di Verona and celebrated in Verona (Italy), June 5th, 2018.
- Invited as international expert to the “Recasting Human Development Measures” workshop, organized by the UNDP’s Human Development Report Office and celebrated in New York, March 12-16, 2018.
- Invited to give the seminar ‘The Subnational Human Development Index. Global distribution and recent trends (2000-2015)’ in the UNDP Human Development Report Office, New York, March 2018.
- Invited to give the seminar ‘Measuring poverty in multidimensional contexts’ in the Economics Departments of Murcia and Valladolid Universities, June 2018.
- Invited as narrate of the IV Table of the workshop Desigualdad y Pobreza en España: Nuevos enfoques / IV Workshop de Historia Antropométrica. Fundación Séneca; MINECO; Departament d’Economia Aplicada, Universidad de Murcia, Murcia (Spain), January 18-19, 2018
- Invited to give the seminar ‘A century of change in global educational inequality and gender differences in education’. Facultad de Ciencias Económicas, Empresariales y Turismo (Universidad de Alcalá de Henares). Alcalá de Henares (Spain), November 23<sup>rd</sup>, 2017.
- Invited to give the seminar ‘On the measurement of inequality for bounded variables’. Nijmegen Center for Economics, Radboud University. Nijmegen (The Netherlands), April 2017.
- Invited as international expert to the “Revisiting the SIGI aggregation methodology” in SIGI 2018 Expert Group Meeting organized by OECD celebrated in Paris, September 2016.
