Biography:

Parminder Kaur is a Post-Doctoral Researcher in Demography at Centre d'Estudis Demogràfics in Universitat Autònoma de Barcelona (UAB). She is currently an FPI fellow for the period 2023-2024 at Centre d'Estudis Demogràfics and assigned to the project "Tendencias globales de la familia: desigualdades de género, sociales y regionales (GLOBFAM)". Her research focuses on family formation, family dimensions, gender, inequalities, son preference, marriage dynamics, co-residence and gender norms, with a special emphasis on comparative analysis of immigrant diasporas where the country of origin and the host country have marked differences in terms of gender equality practices and attitudes.

Nationality: Indian NIE: Y0662640R

ORCID ID: orcid.org/0000-0002-6837-6413

Fields of Research: Demography, Family, Inequalities, Gender, Education.

Current academic affiliation: Post-Doctoral Researcher in Demography, Centre d'Estudis Demogràfics (CED), Universitat Autònoma de Barcelona (UAB), Spain.

Government Senior Secondary School, Amritsar, India
- Lecturer- English. Undergraduate level: General English, Grammar M.A.: Linguistics, Drama and History of English Literature (2005-2006)

Additional Coursework and Seminars

- Quantitative Methods in Social Research (2022)
*The 9th Edition of RECSM Summer Methods School,
Pompeu Fabra University, Barcelona*
- Regression Analysis (2022)
*The 9th Edition of RECSM Summer Methods School,
Pompeu Fabra University, Barcelona*
- Introduction to Multilevel Models (2022)
*The 9th Edition of RECSM Summer Methods School,
Pompeu Fabra University, Barcelona*
- Analyzing Comparative Longitudinal Survey Data Using Multilevel Models (2022)
*The 9th Edition of RECSM Summer Methods School,
Pompeu Fabra University, Barcelona*
- Data Visualization and the “Tidyverse” Approach in R (2022)
Centre d’Estudis Demogràfics, Universitat Autònoma de Barcelona
- Handling Spatial Objects, Spatial Analysis and Web-Based Mapping with R (2022)
Centre d’Estudis Demogràfics, Universitat Autònoma de Barcelona
- Course on Variable Treatment in Data Matrices with Rstudio (2021)
Centre d’Estudis Demogràfics, Universitat Autònoma de Barcelona
- Introduction to Techniques and Population Analysis (2021)
Centre d’Estudis Demogràfics, Universitat Autònoma de Barcelona
- How to Publish Scientific Articles in English (2021)
Centre d’Estudis Demogràfics, Universitat Autònoma de Barcelona
- Writing Thesis in English (2020)
Department of Languages, Universitat Autònoma de Barcelona
- Seminar on “How to write an academic article” by Dr. Joana Maria Pujadas (2019)
Department of Geography, Universitat Autònoma de Barcelona.
- Bachelor of Geography (UAB) Audited Coursework: Demography and Local and Regional Demography (2018-2019)

Department of Geography, Universitat Autònoma de Barcelona.

- Introduction to R and Basis Statistics with R (2018)

Barcelona Summer School of Demography, CED, Universitat Autònoma de Barcelona

Conference Presentations

- Kaur, P., Esteve, A. & Permanyer, I. (2021, December, 5-10). Sex Ratios among Children of Indian Immigrants in the U.S., Canada and Spain. International Population Conference (IPC 2021), Hyderabad, India. <https://ipc2021.popconf.org/>.
- Kaur, P., Esteve, A. & Permanyer, I. (2023, April, 12-15). Educational Assortative Mating Patterns among Indian Immigrants in the USA, Canada and Spain: The Role of Indian Males' Immigration Status. The Population Association of America (PAA 2023), New Orleans, Louisiana, USA. <https://www.populationassociation.org/paa2023/home>.
- Kaur, P., Esteve, A. & Permanyer, I. (2023, September, 11-13). Intergenerational Co-Residence Patterns: Patrilocality in India and Abroad (USA, UK, and Canada). This paper accepted for poster session at British Society for Population Studies, 2023, (BSPS 2023), Keele University, UK. <https://www.lse.ac.uk/international-development/research/british-society-for-population-studies/annual-conference>.

Publications

- Kaur, P., Esteve, A. & Permanyer, I., Sex Ratios among Children of Indian Immigrants in the U.S., Canada and Spain. Manuscript submitted for publication in the Journal of Population Studies.
- Kaur, P., Esteve, A. & Permanyer, I., Educational Assortative Mating Patterns among Indian Immigrants in the USA, Canada and Spain: The Role of Indian Males' Immigration Status. Manuscript submitted for publication in the Journal of Demographic Research.
- Kaur, P., Esteve, A. & Permanyer, I. (2023, September, 11-13). Intergenerational Co-Residence Patterns: Patrilocality in India and Abroad (USA, UK, and Canada). Manuscript submitted for publication in the Journal of Marriage and Family.

Research Stay

- I have conducted three months research stay at the renowned research centre National Institute for Demographic Studies, (INED) in Paris, from February 2023 to April 2023, under the supervision of DR. Ognjen Obucina.

Scholarship

- FPI (Formación de Personal Investigador) scholarship by the Spanish Ministry of Science and Innovation (2020 to 2024). This is associated with the “Tendencias globales de la familia: desigualdades de género, sociales y regionales (GLOBFAM) project”. Project reference: RTI2018-096730-B-100.
