

Anna Baranowska-Rataj

CURRICULUM VITAE

Education and degrees

- 10.2017 Habilitation in Economics, Warsaw School of Economics, Warsaw, Poland
- 09.2017 Docent in Sociology, Umeå University, Umeå, Sweden
- 06.2011 PhD Degree in Economics, Warsaw School of Economics, Warsaw, Poland
Dissertation: *The effects of fixed-term contracts on transition to adulthood in Poland*
- 09.2003 Master's Degree in Economics, Warsaw School of Economics, Warsaw, Poland

Current employment

- 03.2023 – currently Professor in Population Studies at the Center for Demographic and Ageing
- 01.2025 – currently Researcher at Center for Demographic Studies (CED), Barcelona (SPAIN)

Previous posts

- 09.2017 – 02.2023 Associate Professor at the Department of Sociology, and a member of the Center for Demographic and Ageing Research (CEDAR), Umeå University (*from 03.2021 on sabbatical from Umeå University due to a visiting professor stay at the LIVES Center, University of Lausanne, Switzerland*)
- 03.2013 – 08.2017 Postdoc and subsequently Research Fellow at the Department of Sociology, Umeå University, Sweden
- 03.2012 – 03.2017 Assistant Professor, Institute of Statistics and Demography, Warsaw School of Economics, Poland
- 03.2010 – 02.2012 Research Fellow, Institute of Statistics and Demography, Warsaw School of Economics, Poland
- 11.2009 – 02.2010 International Max Planck Research School for Demography Fellow, Max Planck Institute for Demographic Research, Germany
- 06.2009 – 11.2009 Senior Economist, Institute for Structural Research, Poland
- 11.2008 – 05.2010 Country Expert, Mannheimer Zentrum für Europäische Sozialforschung, Germany
- 11.2007 – 10.2008 Visiting Doctoral Student, Mannheimer Zentrum für Europäische Sozialforschung, Germany
- 06.2004 – 11.2007 Senior Specialist, Labour Market Analysis Unit, Ministry of Social Policy, Poland

Scientific awards and prizes

- 2015-2017 Scientific award of the Ministry of Science and Tertiary Education in Poland for young outstanding researchers
- 2014 Scientific award for young outstanding researchers granted by the Foundation Polityka
- 2011-2013 Prize from the Rector of Warsaw School of Economics for scientific achievements

2011 Scholarship for young outstanding researchers from the National Science Foundation in Poland

External research funds

Grants received as the main applicant

11.2018-currently *The effects of unemployment on health of family members (HEALFAM)*, European Research Council (ERC) Starting Grant.

10.2018 *The effects of involuntary job losses on family members' health*, Stiftelsen Riksbankens Jubileumsfond, (rejected due to the overlap with the ERC funding).

01.2018-12.2022 *When and where is it possible for young workers to escape from low-wage jobs? The role of the organizational and regional context for upward wage mobility*, (LOWWAGE), Swedish Research Council (Vetenskapsrådet).

03.2015-05.2019 *The impact of the number of siblings on child health*, financed by the Swedish Research Council for Health, Working Life and Welfare (FORTE).

03.2013-02.2015 *Heterogeneous effects of the number of siblings on child wellbeing – analysis of register data*, funded by the Ministry of Higher Education and Science in Poland.

01.2013-02.2014 *What makes young people the marginalized labour market group? Evidence from Poland*, financed by the ERSTE Foundation.

08.2012-02.2017 *Family size and the well-being of families in Europe*, financed by the Polish National Science Centre.

01.2012-06.2013 *What drives youth unemployment during crises? The role of job creation, job destruction and labour market institutions*, financed by the Global Development Network.

02.2008-02.2010 *Wage effects of fixed term contracts in Poland*, financed by the Global Development Network.

Grants received as a co-applicant

2024-currently Generative AI to enhance open science in register based research, PI: prof. Xavier de Luna, Umea University

2024-curently Social determinants of neurodevelopmental disorders and their consequences within families, PI: dr Niina Metsä-Simola, Helsinki Institute for Demography and Population Health

2023-currently Family outcomes of assortative mating: New insights based on couple-level survey/register data (FamReg), PI: prof. Nadia Steiber, Vienna University.

- 2022-currently 'The cognitive consequences of social frailty: a mixed methods study of precarity and resilience among aging populations in India and Sweden'. PI: Julia Schröders, Umeå University.
- 2021-currently *Work and family in an advanced economy (FAMWORK)*, Norwegian Research Council, PI: prof. Sara Cools, Institute for Social Research, Oslo.
- 2018-currently *The role of education policies for the wellbeing of pupils: Education reforms and mental health in a comparative perspective*, Swedish Research Council (FORTE), PI: prof. Mattias Strandh, Umeå University.
- 2018-currently *Life course consequences of teenage parenthood: heterogeneity in socio-economic outcomes*, the Swedish Research Council for Health, Working Life and Welfare (FORTE), PI: Sara Kalucza, Center for Demographic and Ageing Research (CEDAR), Umeå University.
- 2015- 2018 *Social Exclusion of Youth in Europe: Cumulative Disadvantage, Coping Strategies, Effective Policies and Transfer*, (PI in the Swedish part of the consortium), financed from Horizon 2020, PI: Marge Unt, Tallin University.
- 2011-2014 *New Family Patterns in Italy and Poland: Finding the Determinants of the Change (FAMCHIP)*, financed by the National Science Center in Poland, PI: Elzbieta Kotowska, Warsaw School of Economics.
- 2013-2016 *Generations and Gender Survey in Poland – GGS-PL2*, financed by the National Science Center in Poland, Elzbieta Kotowska, Warsaw School of Economics.
- 2010-2013 *New patterns of family formation in Poland - the socio-economic context, preferences and the impact on life satisfaction (FAMWELL)*, financed by the National Centre for Research and Development in Poland, PI: Anna Matysiak, Warsaw School of Economics.

Assignments and service for the academic community

10-12.2024	Member of the committee electing of the leadership of the Faculty of Social Sciences, Umeå University
09.2024	Opponent at the doctoral defence of Fei Bian at the Faculty of Social Sciences, Lausanne University
05.2024	Opponent at the doctoral defence of Lara Bister at the Faculty of Social Sciences, Groningen University
09.2023-cont	Associate Editor of the international peer-reviewed journal European Sociological Review
09.2023	Evaluation of International Postdoc (IPD) in Humanities and social sciences, Swedish Research Council
08.2023	Evaluator for promotion of dr Rafaele Grotti for associate professor at University of Trento
09.2023	Associate Editor of the international peer-reviewed journal European Sociological Review
08.2023	Evaluator for promotion of dr Siddhartha Aradhya for associate professor at Stockholm University

09.2023	Opponent at the doctoral defence of Ivan Canzio at the Faculty of Social Sciences, Lausanne University
05.2023	Opponent at the doctoral defence of Fiona Köster at the Faculty of Social Sciences, Lausanne University
09.2022	Associate Editor of the international peer-reviewed journal <i>Discover Social Sciences & Health</i>
12.2021	Convener of the sessions with the theme “ <i>Economics, Human Capital and Labour Markets</i> ” for the European Population Conference, Groningen 2022.
12.2021-currently	Member of the Advisory Board for the project <i>The intergenerational reproduction of wealth inequality and its socio-demographic conditions</i> financed by the German Science Foundation (DFG), PI: Philipp Lersch, Humbolt University in Berlin.
11.2021-currently	Member of the Advisory Board for research program <i>Swedish labour mobility lab</i> , financed by the Swedish Research Council for Health, Working Life and Welfare (FORTE), PI Martin Henning, University of Gothenburg.
09.2021-currently	Member of the international advisory team for BUNAVIA project at the Jacobs Center for Productive Youth Development at the University of Zurich
05.2021	Member of the Swedish Demographic Association (Svensk Demografisk Förening) Best Thesis Competition Jury.
02.2020	Member of the grading committee at the doctoral defence of Elena Kotyrlo dissertation at the Department of Economics, Umeå School of Business, Economics and Statistics.
09.2021-03.2023	Member of the Research Board (Forskningsutskottet) at the Faculty of Social Sciences, Umeå University.
02.2020-currently	Advisor for the ‘Future Faculty’ at the Faculty of Social Sciences and Humanities, Umeå University.
02.2020-currently	Member of the Research Board (Forskningsutskottet) at the Center for Demographic and Ageing Research, Umeå University.
02.2020	Chairperson in the grading committee at the doctoral defence of Jeffrey Mitchell at the Faculty of Social Sciences, Umeå University.
06.2019-currently	Member of the Research Board (Forskningsutskottet) at the Department of Sociology, Umeå University.

- 2016-currently Representative of the Department of Sociology, Umeå University at the Board of the European Consortium for Sociological Research
- 2016 Member of the Working Group on Internationalisation the Department of Sociology, Umeå University.

Referee assignments

Reviews for the following journals: Advances in Life Course Research, Demography, European Sociological Review, European Journal of Population, European Societies, Economic Modelling, Feminist Economics, International Journal of Manpower, Journal of European Social Policy, Journal of Demographic Economics, Journal of Happiness Studies, Journal of Family Studies, Journal of Sociology, Social Indicators Research, Population Research and Policy Review, Research in Social Stratification and Mobility, Socio-Economic Review, Social Sciences Research.

Reviewed grant applications for the European Research Council Consolidator Grant, the National Science Centre in Poland and CERGE-EI in Czech Republic.

Membership in scientific networks and associations

European Association for Population Studies

Population Association of America

Swedish Demographic Association

European Consortium for Sociological Research

Research Committee in Social Stratification and Mobility (RC28), International Sociological Association

Cooperation outside academia

- 02.2024 "Fika efter Demograf", an event for a broad audience organised on 19.02.2024 at Väven, Umeå, Sweden
- 2022 co-organisator of a policy event "Conversations between research and policy. An interactive workshop on work, family, and social policy" in Bern, Switzerland.
- 2020-21 contributions to PopDigests series of research summaries for **Population Europe**
- 2019 Member of the organisational committee for **AIMDay**, an annual meeting bringing together researchers at Umeå University, policymakers and business representatives.

- 2019 **Arena Ide**, a report titled “Fackligt inflytande och personalutbildning för tidsbegränsat anställda och tillsvidareanställda” (prepared with Maja Adolfsson and Anneli Lundmark)
- 2018 **Arena Ide**, a report titled “Spillover effects of social policies” (prepared together with Björn Högberg)
- 2014 **Civic Development Forum**, a report titled “Employment for graduates – difficult to get, easy to lose?” (“Praca dla absolwenta – trudno znaleźć, łatwo stracić?”)
- 2012 **the Chancellery of the President of Poland** - a member of a team of experts preparing a family policy programme
- 2011 **the European Parliament** - a member of a team of experts preparing a report on family policies counteracting a fertility decline in the EU

List of teaching and supervision activities

Supervision of doctoral students and postdocs

- Co-supervisor of Sonja Scheuring, Department of Sociology, University of Bamberg, defended 05.2022.
- Mentor for dr Julia Schröders, postdoc in HEALFAM project, 08.2021-06.2023.
- Mentor for dr Anna Brydsten, postdoc in LOWWAGE project 05.2019-04.2021
- Mentor for dr Jonas Voßemer, postdoc in HEALFAM project 04.2019-03.2021
- Main supervisor of Björn Högberg, Department of Social Work, Umeå University, who defended his thesis on 09.2019
- Co-supervisor of Sara Kalucza, Department of Sociology, Umeå University, who defended her thesis on 12.2017

Supervision of undergraduate students

- Spring 2019 Maja Adolfsson, Anneli Lundmark, Department of Sociology, Umeå University
- Spring 2017 Isak Ahlinder, Amanda Nygaard, Emilia Wikner, Department of Sociology, Umeå University
- Autumn 2016 Elin Siira, Department of Sociology, Umeå University
- Spring 2016 Kreske Ecker, Emma Sundvall, Angelina Westerlund, Department of Sociology, Umeå University
- Spring 2014 Martyna Gorska, Institute of Statistics and Demography, Warsaw School of Economics

Courses – teaching and development

- 2022-2023 development and teaching in a course for doctoral students at the Faculty of Social Sciences titled “Longitudinal analyses in Population Studies”, credit points: 7,5 hp

- 2021-2023 a member of the team responsible for development and teaching of a new course for doctoral students at the Faculty of Social Sciences titled “Open Science for the quantitative social sciences”, credit points: 7,5 hp
- 11.2021 an invited half-day (3 hours in classroom) workshop “Social policies from life course perspective” for international doctoral students within LIVES Centre doctoral programme at Lausanne University
- 11.2021 an invited full-day (8 hours in classroom) workshop for international doctoral students within TNSQUARE (Trento School of Applied Quantitative Research). Theoretical seminar focused on life course perspective on work and health (morning session), and hands-on workshop in Stata on longitudinal and comparative methods (afternoon session).
- 05.2021 an invited seminar in a bachelor-level course "Beschäftigungsflexibilisierung im europäischen Vergleich" coordinated by dr Jonas Voßemer at the University of Mannheim.
- 2015-2022 Vetenskaplig metod, M1 (*Research methods*), Umeå University
- 7.5 ECTS course in MA programme ‘Ledarskap och organisation’ (*Leadership and Organisation*)
 - Focus: statistical methods: linear regression, multilevel models, longitudinal methods
 - Teaching form: lectures, seminars/workshops, individual exercises in SPSS in the computer lab
 - My role:
 - 2015: lectures (6 hours), workshop (4 hours), computer lab (12 hours) , examination
 - 2016: coordination, lectures (6 hours), workshops (6 hours), computer lab (8 hours) , examination
 - 2017: coordination, lectures (6 hours), workshops (6 hours), computer lab (8 hours) , examination
 - 2018: coordination, lectures (8 hours), workshops (6 hours), computer lab (6 hours) , examination
 - 2019: coordination, lectures (8 hours), workshops (6 hours), computer lab (6 hours) , examination
 - 2020: coordination, lectures (6 hours), workshops (2 hours), computer lab (2 hours) , examination
 - 2021: lectures (online, 4 hours), workshops (online, 8 hours), examination
