Work experience

CED - DIGINEQ

Barcelona, September 2025 - present

Doctoral Researcher

Working in the DIGINEQ team with the goal of producing relevant papers for the project, as well as organizing and doing a data collection to fulfill the objectives of DIGINEQ.

DONDENA – FRAILIFE

Milan, January 2025 – August 2025

Research Assistant

Worked as a research assistant with the goal of supporting research in the field of child disability. More precisely I worked on code, literature reviews and data researches for different papers within this project.

DONDENA – Prof. Arnstein Aassve

Milan, July 2024 - October 2024

Research Assistant

Worked together with professor Aassve with the goal of producing a Research Proposal to pursue research in the field of transition into adulthood

Fondazione Rodolfo De Benedetti

Milan, December 2023 – February 2024

Research Assistant

Worked for “Obiettivo Lavoro”, a research project about the transition of students into the job market. My role in the project was related to the recruitment of the schools. I contacted schools and explained the project in order to offer them to participate in the project.

ICRIOS – Prof. Alfonso Gambardella

Milan, June 2023 – July 2023

Research Assistant

Supported a research by prof. Alfonso Gambardella through the collection of data from entrepreneurs that participated to “The Startup Game” training program in 2017/2018.

Idea Booster Lab IT – ICRIOS

Milan, January 2022 – June 2022

Research assistant

IBL is an entrepreneurial training program that focuses on helping young entrepreneurs turning their ideas into real businesses. As a Research Assistant I was also in charge of communicating 1-to-1 with the entrepreneur, collecting accounting data and interviewing them on a regular basis in order to evaluate and report changes.

Other experiences

Fondazione Rodolfo De Benedetti – racContami 2024 – Volunteers Coordinator February 2024

Fondazione Rodolfo De Benedetti – racContami 2023 – Volunteers Coordinator June 2023

Proof Reading activities for professor Massimo Morelli (Bocconi University) 2023
