
**PROVISIONAL RESOLUTION BY THE SELECTION COMMITTEE
FOLLOWING A CALL BY THE CENTRE D'ESTUDIS DEMOGRÀFICS (CED)
FOR APPLICANTS TO FILL ONE RESEARCH ASSISTANT POSITION
UNDER AN EMPLOYMENT CONTRACT**

ERC Starting Grant (Reference: SINGLEdem S01_01T/2026)

In view of the resolution of February 27, 2026 by the Director of the Centre d'Estudis Demogràfics, opening a selection process to fill one research assistant position funded by the ERC SINGLE project, 'Understanding the Demography and Stratification of Singlehood in Europe' (Grant number 101163333),

Whereas, in accordance with the CED's OTM-R recruitment protocols, a Selection Committee must evaluate candidates for positions with a duration of more than one year, and must publish both the results of the evaluation and the criteria applied (as listed in the annex).

Whereas the aforementioned call for applications initially established that only one contract would be awarded; however, in light of the available budget, a higher number of suitable candidates, and the needs of the ERC SINGLE project, it has been deemed appropriate to increase the number of contracts to two.

Whereas the aforementioned call for applications established that the proposed award would follow the order of priority of the candidates.

Whereas, in the event that multiple candidates meet the evaluation criteria, all of them must be listed to form a reserve list to cover any withdrawal or cancellation by the selected candidates.

The Selection Committee, in ordinary session
